# DOLPHIN MINNOWS 2018

## INTRODUCTION

The Dolphin Minnows Gala is targeted at the youngest and least experienced swimmers, in the first few years of their swimming careers. The ethos of the gala is about fun, inclusion and enjoyment, giving the children the chance to learn gala etiquette in a relaxed environment.

Swimmers who have achieved ANY divisional times for this season are not permitted to enter the gala and we have applied strict cut-off times for every event that should ensure the competition is weighted heavily towards less experienced swimmers. Additionally, we will apply speeding tickets at the heats stage, which will reward swimmers who have improved significantly with the cherished 'speeding ticket award' while ensuring that finals are competitive and open races with opportunities for swimmers who may not have experienced podium finishes previously.

A new set of 25m events have been added for the very youngest swimmers. These events will start in the shallow end of the pool and will only be for swimmers not competing in the longer events.

In addition, we hope to encourage the fun side with the inclusion of a coaches race, along with the return of the popular 'Future Stars Relays' that allows relay team entry for swimmers who haven't had the chance to experience the excitement of a relay before.

Dolphin extend our welcome to a wide selection of clubs, from across the country and hope to see you soon for what is sure to be a fun couple of days in Cork City.
