

Dear Secretary

Swim Ireland have organised a level 2 team manager course, taking place on Saturday 26th November in Irish Sport HQ 9.30am-1.30pm with lunch provided at the end of the course.

The course is aimed at team managers with an interest in acting as lead team manager on regional trips and/or progressing to working within the national squads programs. We are aware there is a high demand in some regions to have a number of candidates attend this course so we would ask that you email me back with the names from anyone from your club (with TM1 qualification) who would like to do the course. If we have more than 4 names (Munster have 4 places) the Executive will choose the candidates and advise.

Please email by Friday November 19th if you have interested parties

Places are available are as follows;

Connacht region – 4

Leinster region – 4

Munster region – 4

Ulster region – 4

Water polo national committee – 4

Diving national committee - 2

Alison Deane
Munster Secretary
